

Ninety-Eighth Legislature - Second Session - 2004  
**Introducer's Statement of Intent**  
**LB 882**

---

**Chairperson:**       **Kermit A. Brashear**  
**Committee:**       **Judiciary**  
**Date of Hearing:**   **January 21, 2004**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 882 would amend NRS 25-21,223 pertaining to service of process in forcible entry actions.

Currently, Nebraska law is unclear as to the procedure to be utilized in those cases where service of process cannot be obtained under the traditional service of process statutes of NRS 25-501.01 to 25-516.01; those methods are:

- a) personal service,
- b) residence service, or
- c) certified mail service.

LB 882 would add an alternative means of service in those cases where an affidavit is filed with the court stating why service under sections 25-501.01 to 25-516.01 was unsuccessful. In those special cases, service may be made by a person leaving a copy of the summons at the defendant's last known-address and by mailing a copy by first-class mail to such address.
